

Cliff and Sandy Planck

Cliff and Sandy Planck are the Assistant Directors of KY-C and will be serving as the KY District Vendor Coordinators for the Kentucky Blast to be held on August 9-11, 2012. We have been members of Chapter C since May 2008. We will be coordinating and soliciting vendors and volunteers for the Kentucky Blast. Since the motto is "Kentucky Proud" we will solicit state and local vendors of Kentucky made crafts, jewelry, and clothing as well as motorcycle accessory vendors from everywhere. They are hoping to make this KY Blast the biggest and best. We plan to attend as many local events and meetings as possible to make contact with local vendors and to recruit volunteers for the "Kentucky Blast".
