

New Training Modules Descriptions

| Training Module | Description |
|------------------------------|--|
| Away We Go | Do you have a trip in mind? Find out more about mapping, planning, essentials to bring, bike preparation and risk management. |
| Bad Apple | Tips on handling "Bad Apples" or toxic personalities. |
| Bee Smart | As life expectancy increases, keeping your brain in shape is a priority. |
| Calm the Clash | Learning to deal with conflict at the lowest level possible involves conflict resolution. |
| Can you Hear me Now? | Explore communication with the Chapter, and how to make sure you are sending the information that is needed or wanted. |
| Cha Cha Cha Change | Change is constant and in our lives and in GWRRA. Knowing how to change in a positive manner is a necessity. |
| Checks and Balances | Taking care of the money and other property is important. How do you do it best? |
| Conflict...It's Inevitable | How do you handle conflict? Is there a better way? Learn about the nature of conflict. |
| Co-Rider...Know How | New co-rider course |
| Dangerous Epidemic | Distracted driving is becoming an epidemic in our country. Statistics show how significant the problem really is. |
| Do You Have a Minute or Two? | In life as much as work, it is important to know how to provide feedback to others effectively and constructively without causing offense. |
| Just Add Spice | The goal of Chapter Gatherings is to have fun and meet new friends. So let's spice it up and build a lot of FUN in Chapter Gatherings. |

New Training Modules Descriptions

| Training Module | Description |
|---|--|
| More Members? Easy, Like Taking Candy from a Baby | A Chapter plan for recruitment adds to the overall success of your Chapter. This module offers a fun, proven recipe for creating happy and well-oriented long term members. |
| Night Rider | Riding at night is a whole new "ball game". Critters and low visibility create additional considerations and an element of danger. |
| Penny for Your Thoughts | Gathering feedback is important for all leaders. Feedback gives you a measure of how well you are doing. |
| R U Ready to Ride | Important question you need to ask yourself before you hop on your bike for a ride. |
| Retention is Important for a Bunch of Reasons | Understand retention as a strategy rather than an outcome. Learn 5 useful steps that guide Chapters in putting a plan in place to keep our valuable members year after year. |
| Road Trippin' | If you can plan a trip, you can be successful at planning goals for your Chapter. |
| Row, Row, Row Your Boat | Focus on how your team functions and how delegating the right job to the right person at the right time will lead to a great journey for all. |
| Stress Less | Everyone experiences stress. Learn how to manage your stress. |
| Take a Peek Over the Horizon | What is the Horizon Program all about? Come take a peek and get a short overview. |
| Talk to the Elephant | Have you ever been faced with having a difficult conversation with a family member, friend or co-worker? |
| This One's for the Girls | Are you a woman in a leadership position in GWRRA? Come network and learn about women in leadership. |
| Understanding Leadership | This is an opportunity to test your ability to handle unusual and often difficult situations. |
| Weighing In | The key to success. How we view ourselves and what we say to others affects everyone around us including our family members and GWRRA members. |
